COMPETITION RULES

To make sure all rounds of the Competitions are completed within the Required time scale it will be the responsibility of the person drawn at Home (first name on draw) to contact the person drawn away (Second name on the draw) and give them 3 dates to play the game 1 of the dates must be a Saturday or a Sunday these dates must fall Within the required completion date .

If the player drawn at home fails to give the player drawn away 3 dates Within the required time scale they will be eliminated from the competition If the player drawn away does not respond or accept 1 of the dates they Have been given they will be eliminated from the competition.

It is the responsibility of the person drawn at home to book the rink for The game and provide a marker.

In the event of any disagreements or misunderstandings during the Competition the decision of the committee should be considered finale.

A new draw will take place for every new round of the competition

Please do not enter any competitions if you have already booked a holiday and/or will not be available on finals day (September 2)

Your committee have decided that before semi finals are played if any player will not be available on Finals weekend they shall forfeit their match.

Handicap rankings will be displayed on the notice board before the competition starts.

There will be a reserve list compiled so that in the triples for example if one of the players can't play within the time limit one of the reserves must be used.

If you have any questions regarding the rules or handicap rankings please ask .
